

Camp Sydney Dew

Last Campout of 2017

Camp Sydney Dew
3624 Everett Springs Rd
Armuchee, GA 30105

When: November 17 - 19, 2017

Cost: 20 Per person

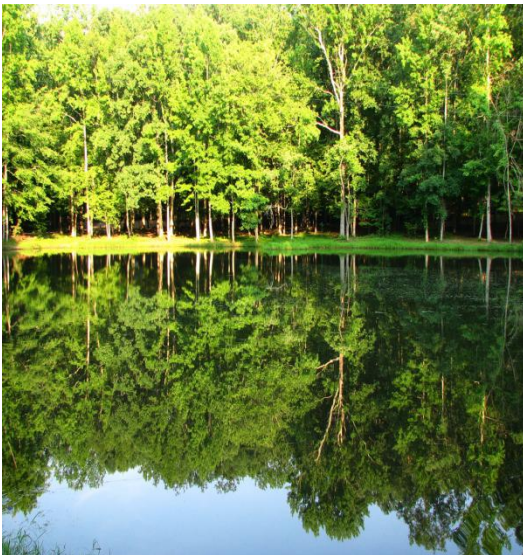

Why: Because Scouting is outing.

We will engage in some active Stargazing with Mr. Fuerstenberg.

So bring a telescope or a pair of binoculars if you have one.

And we will hike the Rocktown Trail

“At the end of the trail are a strange series of boulders and outcroppings that have been given the name Rock Town by those who pass through it. It is well named, for it indeed looks like a town.

More than 200 million years ago this area was once great ocean, that at one time completely covered both Pigeon and Lookout Mountains. The water washed away the softer limestone while leaving other, more durable rock. In many places the effect of the water is apparent, from curved holes in solid rock to tiny mazes of stone netting. In downtown Rock Town you can visit the Champagne Glass, where water has eroded the base of a 50-foot tall rock, leaving the cap precariously balanced on what little remains.”

Champagne Glass
